

FIELD 90 G3®EXP®

The Field 90 G3®EXP® is both simple and versatile. It's a perfect problem solver at home and an all-around training tool for field work regardless of the type of training you do.

The Field 90 is easy to use, with one button for each function - continuous stimulation, momentary stimulation, and tone. 6 levels of intensity means plenty of adjustability for every type of dog.

The Field 90 G3®EXP® is field expandable to control up to three dogs (additional collars purchased separately).

PRO 100 G3®EXP®

The Pro 100 G3®EXP® is the right choice for professionals and serious amateur trainers. The Pro 100 with its fingertip low, medium and high control is perfect for trainers who need the ultimate in versatility when training with continuous stimulation.

The Pro 100 G3®EXP® is field expandable to control up to three dogs (additional Collars purchased separately).
